

SHIVANSH BHATNAGAR

New Delhi, India | +91 7355021661 | Shivansh.bhatnagar0@gmail.com | linkedin.com/in/shivanshbhatnagar2121

RESEARCH INTERESTS

My research interests lie at the intersection of systems, security, and telecommunications, with a specific focus on building secure, high-performance network infrastructures. I am eager to explore programmable data planes, scalable distributed systems, and hardware–software co-design frameworks tailored for robust AI and data center applications.

EDUCATION

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) July 2026 – Present

Doctor of Philosophy (Ph.D.) in Computer Science and Engineering | Advisor: Dr. Rinku Shah

Institute of Informatics and Communication, University of Delhi July 2023 – June 2025

Master of Science (M.Sc.) in Informatics (CGPA: 8.204)

- Coursework in Data Structures, Algorithms, Software Engineering, Distributed Systems, and AI/ML..

Acharya Narendra Dev College, University of Delhi

November 2020 – June 2023

Bachelor of Science (B.Sc. Hons.) in Electronics (CGPA: 8.838)

- Awarded the prestigious **D.C. Arora Meritorious Scholarship** in the final year for academic excellence.

PUBLICATIONS & ACADEMIC RESEARCH

Research Papers on 3D Printing Advancements

IOP Publishing

Co-author / Researcher | Mentored by Prof. Amit Garg

- Published two peer-reviewed research papers focusing on technological advancements and process optimizations in 3D printing.
- Conducted an extensive undergraduate dissertation exploring additive manufacturing workflows and architectural enhancements.

KEY RESEARCH & TECHNICAL PROJECTS

Deep Learning-Based Stock Market Forecasting System - NiveshGuru

Masters Project

- Designed and implemented an end-to-end sequential forecasting architecture comparing Recurrent Neural Networks (RNN) and Long Short-Term Memory (LSTM) networks.
- Achieved a predictive accuracy of **88%** with the optimized LSTM model, demonstrating superior long-term dependency modeling for highly volatile sequence data.

SCHOLASTIC ACHIEVEMENTS & CERTIFICATIONS

UGC NET Qualification (Computer Science & Applications)

June 2024

- Qualified the national-level examination for Eligibility of Assistant Professor with a **98.2 percentile**.

PROFESSIONAL EXPERIENCE

KnowledgeGate Eduventure

September 2025 – January
2026

Full Time Educator & Technical Mentor (Subject Matter Expert)

- Developed high-quality pedagogical content and recorded structured video solutions for advanced computer science examinations (GATE/NET), specializing in core curriculum elements.

TECHNICAL SKILLS

Languages

Python, C++, C, SQL, JavaScript

Data Science & AI

PyTorch, NumPy, Pandas, scikit-learn, Matplotlib.

Core Focus Areas

Data Structures & Algorithms (DSA), Operating Systems,
Distributed Systems, Computer Networks.
